SADDLECLOTHS

Prices current 01/08/11

Club Colours Direct specialise in custom-made, top-quality, embroidered saddlecloths and we offer Basic square shape, GP, Dressage and Swallowtail shapes. We strive to ensure that our product range reflects market demands, and as a result three new sizes have now been added to our Basic Saddlecloth range to cater for young children riding in smaller saddles.

New colours have been added to our huge colour range in both trim and fabrics to give you the best colour choice available. If your Club's colours are not in our range please ask, as we will endeavour to source your colours for you.

Prestalene, normally used in corporate clothing, is a top quality fabric that doesn't fade, shrink, stretch or crush and is fully washable.

Polarfleece offers a huge non-fade colour range and is also fully washable.

Towelling, quality Australian-made 100% cotton double-sided towelling, white only available.

Cotton Drill, a natural and comfortable pre-shrunk fabric and great for under the saddlecloth.

Kersey Wool, a traditional fabric that always looks a winner.
