SADDLECLOTHS

Available in a number of shapes, either a basic square shape with a choice of six sizes, or three sizes in dressage or swallowtail. Custom shapes also catered for, together with a choice of round or square corners.

Our quality fabrics ensure a durable saddlecloth and we offer a huge colour range to give you the best colour choice available. We are pleased to advise that we now use 100% Australian-made double sided towelling, although a limited colour range, it is a lovely thick, quality fabric.

- * **Prestalene**, normally used in corporate clothing, is a top quality fabric that doesn't fade, shrink, stretch or crush and is fully washable.
- * **Polarfleece** offers a huge non-fade colour range and is also very easy care.
- * **Towelling**, quality Australian-made 100% cotton double-sided towelling.
- * **Cotton Drill**, a natural and comfortable fabric under the saddle.
- * **Kersey Wool**, a traditional fabric in some great new colours.
- * **Satin**, a stunning new addition to our dressage saddlecloth range, with cotton drill under.
